Common questions about re-registering to vote Upstate

If I register to vote at my second home address, can I also vote from my primary residence address?

No. You can choose where you want to vote and then vote from that one address only.

What if I'm on a new plot and don't have a street address?

You should contact your town's Assessor's Office to request an official address, then register to vote at your new upstate address.

What if I won't be in Ulster County on Election Day?

- **Vote early in person.** There are 10 days of early voting prior to Election Day, including two weekends! You can vote at any Ulster County Early Voting Center. For voting center locations, poll days and hours, visit: elections.ulstercountyny.gov/early-voting/
- **Or vote by mail with an Absentee Ballot.** Fill out an Absentee Ballot Application online at: absenteeballot.elections.ny.gov/ or call the Ulster County Board of Elections at 845-334-5470 to request your absentee ballot application.

What if the address on my driver's license is different from the address I establish as my voting address?

Even though people can and do register to vote through the Department of Motor Vehicles, DMV records and Board of Elections records are different and separate. Your voter address doesn't have to match the one on your driver's license.

Will my STAR property tax exemption be affected?

No. Only primary residences are eligible for STAR. Your primary residence stays the same no matter what your voter address is.

What about jury duty?

New York State draws potential jurors from five different sources: the Departments of Motor Vehicles, Labor, Social Services, Taxation and Finance, and Board of Elections. So, you could be called for jury service at either your primary or second home address.

You can choose where you prefer to serve. Jury service in one NYS jurisdiction counts as service in other NYS jurisdictions.
